SOFTKEY LICENCE AGREEMENT

PLEASE READ THE FOLLOWING TERMS CAREFULLY
BEFORE USING THIS PROGRAM:

1. What is this. This contains the SoftKey International Inc. ("SoftKey") Limited Use Software Licence Agreement ("the Agreement") which will govern your use of the SoftKey Software product(s) contained in this package.

2. Grant of Licence. SoftKey hereby grants you, and you accept, a limited licence subject to the terms and conditions contained herein to use the Software recorded on the enclosed diskette(s), (called "the Software" in this Agreement). You may only use this Software on a single computer, on its temporary replacement, or on a subsequent computer. If you wish to use the Software on more than one computer, you must purchase an additional copy of the Software. You may not either temporarily or permanently transfer or sublicense your rights to use the Software under this Agreement without the prior written consent of SoftKey.

3. SoftKey's Rights. You acknowledge the rights to the Software and the User Manuals and other related materials are the sole and exclusive property of SoftKey. By accepting this Agreement, you do not become the owner of the Software in accordance with the Agreement. You agree to use your best efforts and to take all reasonable steps to protect the Software from unauthorised use, illegal reproduction or illicit distribution.

4. Limited Warranty. SoftKey warrants for a period of ninety (90) days from the effective date of this Agreement that, under normal use, the materials of the magnetic diskette(s) and the user manual(s) will not prove defective; that the program is properly recorded on the diskette(s); and that the user manual are substantially complete and contain all of the

information which SoftKey considers necessary for the use of the Software. If, during the ninety-day period, a defect in the Software should appear, you may return the Software to SoftKey for replacement without charge. Your sole right with respect to a defect in the Software is replacement of the Software.

Except for the limited warranty provided in this paragraph, there are no warranties, conditions, or representations either express or implied by statute, common law or otherwise, and all such warranties, conditions and representations are expressly disclaimed.

5. Liability. You agree that regardless of the form of any claim you may have, SoftKey's liability for any damages to you or to any other party shall not exceed ten times the licence fee paid for the Software.

SoftKey will not be responsible for any direct, incidental, or consequential damages, such as, but not limited to, loss of profits resulting from the use of the Software or arising out of any breach of the warranty, even if SoftKey has been advised of the possibility of such damage.

6. Termination of the Agreement. If any terms and conditions of the agreement are broken, SoftKey has the right immediately to terminate in writing the Agreement and demand that you return the Software to SoftKey. At that time, you must also certify in writing that you have not retained any copies of the Software.

7. Governing Law. This Agreement is to be governed by, and interpreted in accordance with, the Laws of England. Any terms of conditions of this Agreement found to be unenforceable will be deleted, but will not affect the remaining terms and conditions of this Agreement.
